FEBRUARY 2009 BAR NEW YORK EXAMINATION OUR STUDENTS  
ACHIEVED A 100% PASS RATE**

Independent Colleges, in conjunction with leading American Bar Review MicroMash, is proud to offer unique and intensive preparation courses for the New York and California Bar Examinations.

## Giving you the confidence you need to pass

### Why Independent Colleges?

- ✓ Our students achieved a remarkable 100% pass rate in the February 2009 New York Bar Examination.
- ✓ Unlike other courses the Independent Colleges New York & California Bar Programmes are fully taught, live by legal professionals who are all Attorneys-at-Law. We give you in person expert guidance on bar examination skills and technique and test your knowledge every step of the way.
- ✓ We provide you with unrivalled MBE Bar Review Software which enables you to practice thousands of questions. An at-a-glance summary of the applicable legal principles is provided after each question. You will know your average score and time before taking the bar, giving you the confidence to pass.
- ✓ Our course may be taken by distance learning, all lectures are recorded and can be viewed online from the comfort of your own home.
- ✓ Exam questions are set and graded throughout the course, which includes a full two day mock examination.

## Why Become an Attorney and Counsellor-at-Law?

1. To obtain an internationally recognised legal qualification of the highest calibre.
